RE: DBE Continued Certification

Dear Ms. Aguero:

Your request for continued Disadvantaged Business Enterprise (DBE) status has been reviewed. The Small Business Development Program (SBDP) is pleased to inform you that your company's certification will remain as a Tennessee Department of Transportation (TDOT) certified DBE for the following work category(ies):

**Natural Gas Distribution; Petroleum and Petroleum Products
Merchant Wholesalers (except Bulk Stations and Terminals);
Wholesale Trade Agents and Brokers**

The SBDP will be monitoring the operation of your firm from time to time to ensure that it operates as represented within the Federal regulations. Certification will be revoked upon a determination that your firm is not in compliance.

This certification must be updated annually by the submission of a new "No Change Declaration," with supporting documents. Also, the SBDP must be notified if and when there is any change in the ownership or control of the firm. Your company will be reminded approximately 45 days prior to your required annual update. However, the responsibility to assure continued certification is yours.

Sincerely,

David W. Neese
Director, Small Business Development Program
