2018 ACDBE Certification "No Change" Affidavit Continued

Dear Allison de Agüero:

Thank you for the submittal of your firm's annual No Change Affidavit (the "Affidavit") as required under 49 CFR Part 23 (the "Regulations") with respect to your firm's certification as an Airport Concession Disadvantaged Business Enterprise ("ACDBE"). The Massachusetts Port Authority has completed its review of the Affidavit in accordance with the Regulations. You have affirmed in the Affidavit that there have been no changes in your firm's circumstances affecting its ability to meet size, disadvantaged status, ownership, or control requirements of the Regulations. You have also affirmed that there have not been any material changes in the information provided in your initial certification application, except for changes about which you have notified Massport under 49 CFR Part 26.839 (i). Therefore, your firm remains certified as an ACDBE.

As a reminder, ***you are required to submit a Three Year Review on the third anniversary of your certification which is due December 1, 2019.*** If there are changes in the firm's circumstances affecting its ability to meet size, disadvantaged status, ownership, or control requirements and/or if there are any material changes in the information provided previously in the application form, you must notify Massport in writing within thirty (30) days of the occurrence of such change. Such notice must take the form of an affidavit sworn to by the applicant before a person authorized by state law to administer oaths or of an unsworn declaration executed under the penalty of perjury of the laws of the United States.

As a courtesy, we will attempt to provide you with the necessary forms within 30 days of your anniversary. However, it is your responsibility to provide the forms in a timely manner. Thank you for your continued cooperation and participation in Massport's ACDBE Program. If you have any questions, please do not hesitate to contact Tanya Mitchell, Certification Specialist/Data Analyst Contracts & Compliance at 617-568-3196.

Sincerely,
MASSACHUSETTS PORT AUTHORITY
