Milton, GA 30004

RE: Approval of DBE Certification

Dear Ms. de Aguero:

WisDOT has approved the eligibility of DES Wholesale, LLC dba Diversified Energy Supply for DBE credit on USDOT federally-funded projects performing a commercially-useful function in the area(s) of:

- Broker of gasoline, diesel, biodiesel and natural gas

The USDOT requires North American Industry Classification System (NAICS) codes be used to describe the type of work a firm can perform for DBE credit. We have assigned the following NAICS code(s) to your firm's certified work area(s):

- 221210 Natural Gas Distribution
- 425120 Wholesale Trade Agents and Brokers
- 424720 Petroleum and Petroleum Products Merchant Wholesalers (except Bulk Stations and Terminals)

The DBE Program uses the SBA size standards for NAICS codes as required by the DBE program's federal regulation, 49 Code of Federal Regulation parts 23 and 26. The size standards for NAICS codes can be found at http://www.sba.gov/sites/default/files/Size_Standards_Table.pdf or for Airport Concessionaire DBE firms at 49 CFR part 23, section 23.33.

Your firm is approved to work throughout these regions of Wisconsin:

- Statewide

Please note that DBE crediting is subject to the WisDOT's discretion.

WisDOT is a member of the Wisconsin Unified Certification Program (UCP), which is made up of four certifying agencies: City of Madison, Dane County, Milwaukee County and WisDOT. As a certified DBE firm of the Wisconsin UCP, you are eligible to bid as a DBE on USDOT-funded projects let by any of the four agencies.

For record-keeping purposes, the WisDOT is counting DES Wholesale, LLC dba Diversified Energy Supply as a Woman-Owned Disadvantaged Business Enterprise (WDBE).

If your firm should develop the resources, including equipment and personnel to perform a commercially-useful function in other work areas, you may apply for an expansion of your firm's DBE certification. Your firm must be approved for an expansion of certification before we will approve any DBE credit for work performed in any work areas other than those listed in this Approval of DBE Certification letter.

This approval decision is based upon information provided to WisDOT as part of the application for certification as a DBE. Should this information change, you must inform our office in writing within 30 days of the change. Your failure to notify our office within 30 days could result in you being found to have failed to cooperate with the WisDOT and for your firm to be decertified. Also, if your firm is found to have concealed or misrepresented information you provided to the WisDOT, your firm will be subject to decertification.

This certification of eligibility is valid indefinitely effective 11/15/2016. Please note, however, that you are required to submit an Annual No-Change Affidavit declaring that your firm continues to meet DBE program eligibility standards. Also, you will be required each year to submit the company's most recent federal tax return.

Your firm's name will be added to our directory of certified DBE firms and will appear in the next scheduled publication of the Wisconsin UCP DBE Directory. You may view the listing of certified DBE firms @ <http://wisconsindot.gov/Pages/doing-bus/civil-rights/dbe/certified-firms.aspx>.

WisDOT provides management and technical assistance to disadvantaged firms working on highway projects. The services are located at:

*WisDOT DBE Support Service
6150 W. Fond du Lac Avenue
Milwaukee, WI 53218
(414) 438-4583*

Certified DBE firms are encouraged to utilize this office for plan reading and bid preparation assistance.

Thank you for your interest in the Wisconsin UCP. Please contact our office if you need additional assistance.
